Environmental Provisions: Refer to Environmental Provisions Ordinance 2020-03

- IF you are removing trees for forest management/timber sales, disturbing more than 10,000SF, or removing more than 40% of trees that are 6" DBH, – **STOP** – Use the Other Form.
- If this is related to new construction and the project also requires a Land Use Permit, – **STOP** – Use the Other Form.

Why do I need to submit this form?

Trees are important part of the Village Character and Environment as identified in the 2020 Master Plan. When you cut trees your neighbors will notice. This form allows the Village to know what your intentions are when removing dead/diseased trees, help you if you have questions, etc. This way we don't have to wonder what you are cutting and track you down to ask, and also helps us to answer and alleviate questions and concerns we may get from the community when you cut trees. Thank You!
